

CLAREMONT FAN COURT SCHOOL

# TRANSPORT GUIDE

**2024/25**

# WELCOME

Dear Parents/Guardians,

I am delighted to introduce the school transport guide for academic year 2024-25.

We have continued to see increases in the number of pupils using the school network during 2023-24 academic year. Building on this success, we are pleased to announce a number of improvements and enhancements to the bus network. Subject to demand, we will look to extend the Cobham service to Guildford, adding this as a new destination to the network. In addition, we are aware of the significant journey times on the Richmond route, and as such, we have decided to split this route in two; a Richmond express originating from Mortlake station, and a new service starting in Kingston. We would also like to draw your attention to the late bus service which departs at 17:45 serving Claygate and Surbiton stations. There is no additional charge to use this service if your child already has a bus booking for that journey.

This guide provides information about the routes, timetables and fares for academic year 2024-25 and advice on how to book, along with the terms and conditions. By visiting [claremontfancourtschool.vectare.co.uk](https://claremontfancourtschool.vectare.co.uk) parents can access an interactive journey planner to locate the bus stop closest to their home and book journeys at any time. You will notice that this site looks slightly different and we are delighted with the upgrade that Vectare have provided. During the forthcoming academic year, there will also be an update to the app, which should result in further improvements.

Bookings continue to be made directly on the Vectare booking platform, and parents have the option of selecting to pay for a full year or arrange three termly payments using Direct Debit. Please note a term's notice is required for cancellation of a regular booked seat and any cancellation should be made directly with Vectare using the 'contact us' page on the website [claremontfancourtschool.vectare.co.uk](https://claremontfancourtschool.vectare.co.uk).

The most cost-effective option is a full-time return seat, however, morning or afternoon only bookings are available. For those last-minute change of plans, Vectare offer a single ad-hoc journey right up to the time of bus departure, subject to seat availability, which can be booked on the website or the app.

Please do keep giving Vectare your feedback so, together, we can continue to enhance the school bus provision to suit our families and optimise pupil usage. If you have any questions about the bus network, please contact Vectare via the bookings website.

I would like to thank you for your interest and commitment to home to school transport for your family.

With warmest wishes,

Jo Ogden,  
Bursar
