

STABLE COURT (Y3-6) - INSTRUMENTAL LESSONS

Please read the following notes carefully before making a decision.

Tuition is offered (subject to the Headteacher's approval) in the instruments listed below at the appropriate age groups. The choice of instruments at differing ages considers:

- The suitability of instruments for pupils of particular ages, eg size of hands, wind power etc. The peripatetic teacher, after an assessment, reserves the right to delay teaching until the pupil has reached the necessary size for the instrument.
- Particular concentration on the development of melodic playing skills leading to the joys and success of ensemble music-making.
- Instrumental lessons for Year 3 pupils and pupils who are new to the Stable Court will commence half a term after they have started to allow the child to settle into the school first.

The pleasures of success in learning a musical instrument are numerous. However, before starting an instrument, please note:

- The number of places for tuition is limited and tuition cannot be guaranteed immediately.
- Learning an instrument should not be taken lightly. It requires regular practice, organisation and commitment.
- Recorder lessons are taught - they are not merely a lunchtime club. Free lunchtime clubs will also be available.
- Instrumental lessons take place during all curriculum lessons (please see below).

Lessons

Instrumental lessons will take place in the Music School.

A rotation system whereby a pupil misses a different curriculum lesson each week is in operation to ensure minimum disruption to the curriculum. Instrumental lessons, therefore, will be scheduled to take place on rotation during all curriculum subjects, including core subjects. As pupils miss curriculum lessons to attend instrumental lessons, pupils may only learn one instrument in school time.

Fixed lessons are not available during the school day, including breaktime and lunchtime. However, subject to availability, it may be possible to organise a fixed time before or after school. Such slots are usually very limited as priority has to be given to Year 11 and Sixth Form students.

Recorder and Clarineo Programme

Year 3 will commence with free group Recorder lessons and progress to Clarineo in Year 4 as part of the music curriculum programme. Tuition takes place on a weekly basis during one of the curriculum music lessons. Each child is allocated their own clarineo by the School (with the cost added to the fee invoice) which they are able to take home and practise on between lessons. Students may also choose to have individual lessons to broaden what they are learning in the class lessons. Please use the attached form if you wish to apply for **individual** lessons; there is no need to apply for the Year 3 or 4 group recorder or clarineo lessons.

Starting/terminating Lessons

Instrumental/vocal lessons usually start at the beginning of any term. Notice to terminate tuition should be sent to the Accounts Department by the half-term holiday **to take effect from the beginning of the next term.**

Lessons are given on a continuous basis until the appropriate notice is given to terminate them and do not need to be rebooked each term or academic year. However, lessons will terminate automatically at the end of the following Key Stages:

- i. at the end of Year 6
- ii. at the end of the Spring Term in Years 11 and 13

Lessons must, therefore, be reapplied for at the start of Years 7 and Lower Sixth.

Payment

Charges for lessons will appear each term on the school account. If starting lessons during a student's first term or mid way during a term, the fees for the first term will be invoiced with the following term's fees.

Fees are for 10 lessons of 35 minutes per term or 30 lessons within each academic year. Please contact the Accounts Office for the current charges for instrumental lessons.

Missed Lessons

Lessons missed because of the peripatetic teacher's absence will either be made up or credited to your account. Lessons missed through a student's non attendance will be charged for as the peripatetic teacher has to attend school for that lesson whether or not the student turns up. Only lessons missed due to a listed calendar event in advance will be rescheduled and made up. As peripatetic staff only teach on designated days, there may be the rare occasion when a sports fixture clashes with an instrumental lesson which is beyond the control of the Music Department. Whilst every endeavour will be made to avoid clashes and to rearrange the lessons, this may not always be possible. Since we are unable to refund the cost of the instrumental lesson, it will be the parental choice as to which activity the pupil attends.

Communication

Each child will be issued with a practice notebook in which recommendations for daily practice will be written. Parents are encouraged to check this notebook.

Insurance

Please note the school's insurance does not cover personal instruments and these should be insured through your own company.

The School makes every effort to safeguard instruments whilst they are in the Music School and cannot accept responsibility for damage to instruments belonging to pupils. A storeroom is available for day storage but instruments must be taken home at the end of the school day.

Commitment

It is expected that all those learning instruments will take part in ensembles, etc when requested to do so. Individual performance will also be expected in assemblies, informal concerts and more formal concerts.

If after having read the above you would like your child to learn an instrument, then please fill out and sign the attached form.

Please sign and scan the application for the attention of Mrs Plant at the Music School for all instrumental lessons other than singing lessons. Applications for singing lessons should be made of the attention of Mrs Sitford in Stable Court. Please see the application form overleaf.
