NOTES:

Fees are payable in advance and must be paid by **the first day of term**. A charge of £50 is made on fees which remain outstanding after the first day of term, together with interest, at 2.5% above the school's bank's base rate, until the account is paid. The accounts office can provide on request details of a third-party finance company that provides monthly payment facilities.

Unless a full term's notice in writing is given before a pupil is either withdrawn or relinquishes a place that has been accepted, the fees for the full term will be charged, as per the parent contract terms and conditions.

Please contact the accounts office if you require any further information regarding fees.
